

"beautiful awareness"
Schöner Mensch 2017

painting - auf
Abmessung Höhe | Breite | Tiefe: cm x cm x 0 cm

Beschreibung: Painting: Airbrush, Spray Paint, Ink and Acrylic on Canvas.

Philosophie: Like a mask this face, surrounded by a wild environment and a soldier like man and an assisting girl hides behind beauty, but wonders about its presence, visualised by the starring eyes. It shows complexity of us but also beauty of awareness and freedom in times of structured societies and worlds of rules.
